AquaLink® RS

ADVANCED POOL AND SPA AUTOMATION

The Jandy® AquaLink RS system integrates premium design ingenuity, style, and ease of use for the ultimate pool/spa automation experience.

CONVENIENT CONTROL

Manage up to 32 individual pool and spa functions, including lighting, and water features from the convenience of your home or while you're on the go.

ONE-TOUCH OPERATION

Quickly create schedules and custom programs to run your pool more efficiently with the single touch of a button.

SEASONAL ADJUST TECHNOLOGY

AquaLink RS systems have built-in energy savings programs, allowing the system to automatically adjust routines and schedules with the changing seasons to optimize energy savings and maximize efficiency.
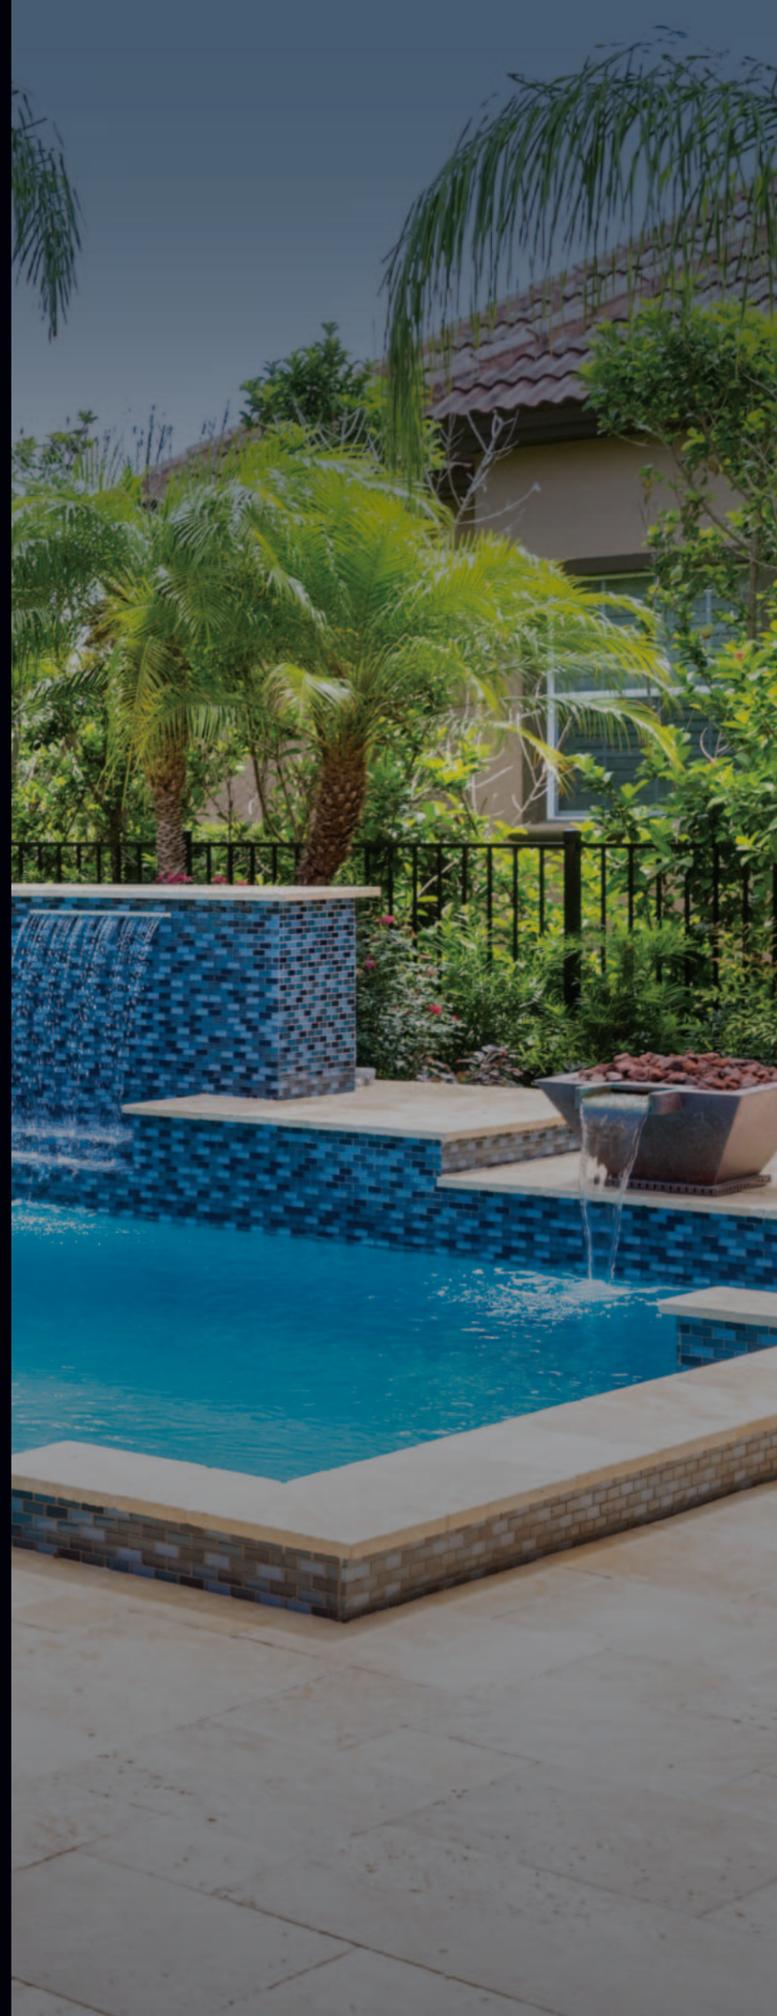

COMPATIBLE WITH HOME AUTOMATION SYSTEMS

Your backyard is an extension of your home. AquaLink RS paired with iAquaLink™ App Control allows you the freedom to control your whole home through most leading home automation systems.

Seamless integration with most leading home automation systems* lets you:

- Turn on your pool/spa
- Adjust temperature settings
- Control your pump and heater for energy-saving usage
- Turn on and adjust light settings (colors & dimming)
- Access OneTouch Scenes for simple pool setup

EASY POOL CONTROL AT YOUR FINGERTIPS

iAQUALINK™ APP CONTROL

iAquaLink offers the ultimate in intelligent pool control from your mobile device—allowing you to control your pool *(or pools)* anytime, anywhere. Using our FREE app, you can manage all the elements of your pool or spa—even when you're not at home.

Easy to Use… Even on the Go

Whether at home or away from home, it's never been easier to adjust pool and spa temperatures, turn on water features, turn on lights, adjust sanitizer generation, even manage multiple pools—all from the iAquaLink app on your mobile device.

Powerful and Versatile

Avoid unsightly wires, wall panels and charging stations. iAquaLink is the perfect upgrade solution for pool owners looking for flexibility and convenience—all you need is WiFi or an Ethernet connection.**

**Professional installation required
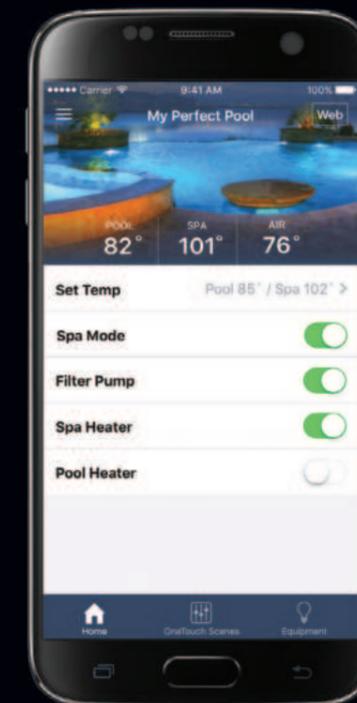

ONE TOUCH CONTROL

The Jandy AquaLink RS One Touch wall-mounted controller allows you to set up schedules and turn on equipment features to bring your backyard experience to life.

REMOTE CONTROL

Whether you're inside your home or out in the backyard, you can turn your system ON/OFF with the AquaLink Wireless handheld remote.

CONVENIENT SPA-SIDE CONTROLS

AquaLink RS Spa-Side Controllers let you raise or lower spa temperatures and turn on jets, lights and more from inside your spa.
