

Jandy Pre-Plumbed Manifolds for SFHT Filters

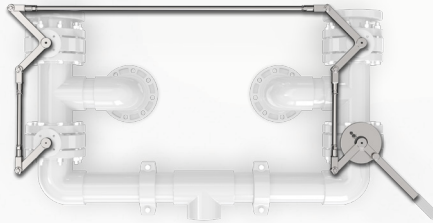

Engineered for Optimal Flow and Efficiency for Commercial Pool Systems

Save time and effort with Jandy pre-plumbed manifolds for SFHT commercial filters — specifically designed to maximize flow on our top-plumbed horizontal filters

- Specifically designed to fit Jandy SFHT horizontal filters
- Field-configurable for left or right plumbing
- 4-, 5-, and 7-valve models to cover single or multiple tanks
- Includes heavy-duty Cepex butterfly valves
- ANSI-150 flanged connections
- Linkage kits included

Standard ANSI-150 Flange Connections

Linkage Kits Pre-Assembled

Includes Superior Quality Cepex Valves
