CS SERIES
SINGLE ELEMENT
CARTRIDGE FILTER

Jandy® Pro Series CS Series Single Element Cartridge Filters

The CS Filters utilize single element cartridges designed to provide the same great filtration as the CV and CL Models, but in a more compact body. The cartridges on the CS are easily removed, making it simple to clean and care for. Available in 100, 150, 200, and 250 square foot models.

- Compact body designed to easily fit into small areas
- Compatible with the Jandy Versa Plumb® System
- High-impact, corrosion and UV resistant, thermoplastic tank body
- Pressure gauge with clean/dirty indicator that makes it easy to assess filter condition
- Ergonomic, easy grip handles for ease of service
- Includes 2" x 2 1/2" universal unions
- Extra large 2" drain port for easy cleaning of debris

DIMENSIONS
