USER DELEGATION

GIVE **YOUR** WORKFORCE ACCESS TO JXiQ[™] DIAGNOSTICS ON FLUIDRA[®] PRO!

FLUIDRA PRO

AS A FLUIDRA® REWARDS MEMBER YOU HAVE ACCESS TO THE FLUIDRA PRO APP.

HOWEVER, YOUR TEAM WILL NEED ACCESS AS WELL SO THEY CAN VIEW JXiQ[™] DIAGNOSTICS WHEN THEY'RE ON-SITE.

HERE'S HOW YOU CAN AUTHORIZE ACCESS TO YOUR TEAM

FLUIDRA® REWARDS MEMBER STEPS

1. Log into your Fluidra Rewards account by visiting FluidraPro.com

	 Once filled out, click "Save User" 	

The employee will now receive an email and must carry out the rest of the log-in steps to get access. Be sure to provide them with the username you assigned to them

POOL TECH STEPS

1. Check your email for a **"Welcome to Fluidra Pro"** message. Once opened, click on **"Create Password"**

2. You will be taken to the **Forgot Password** page where you will **Create** your password. Once you have created your password and confirmed it, click **Submit**

3. Now you need to **download the Fluidra Pro app** from the Apple App Store or Google Play on your phone

4. Once downloaded, open the app and log in using your **Username** and **Password**

5. You're in! Now tap the **"Resources"** button on the bottom right corner. This will open to the **Resource Center** where you can view each JXiQ[™] Heater on your route

6. To view a JXiQ heater's diagnostic readout on-site, first select the **Jandy**[®] **JXiQ** you're servicing. *You can only connect to a Jandy JXiQ when you are within 200 feet*

	11:42
	Please find the ld of the heater you would like to connect to by holding down the menu button on the heater display for 5 seconds. The ld will be displayed at the top right of the screen.
	UZER SETUP XXXXX C.C.AR BLUETODTH LANGUAGE
	SELECT HEATER TO CONNECT
	You will be asked to enter 6 digit PIN when you connect to the heater for the first time. The PIN number will appear on the heater display after you have selected the heater to connect.
-1	- JXiQ-000066
	JXiQ-00004N

Now, enter the **6-digit PIN** in the Fluidra Pro app

Γ	
	11:42 Image: state
	Please find the ld of the heater you would like to connect to by holding down the moun button on the heater display for 5 seconds. The ld will be displayed at the top while of the code shown on "JXIQ-000066" would like to pair with your Phone. Enter the code shown on "JXIQ-000066". Do not do anything on "JXIQ-000066" to not do anything on "JXIQ-000066" until pairing is complete.
	SELECT HEATER TO CONNECT
	You will be asked to enter 6 digit PIN when you connect to the heater for the first time. The PIN number will appear on the heater display after you have selected the heater to connect.
	JXiQ-000066 JXiQ-00004N

10. Now you are ready to commission and service the Jandy $^{\! \mathrm{s}}$ JXiQ $^{\! \mathrm{m}}$
