

# Jandy Pro Series JE Heat Pump Anchor Bracket Instructions

## **! WARNING**

**FOR YOUR SAFETY** - This product must be installed by a licensed HVAC technician certified in heat pump repair and maintenance by the jurisdiction in which the product will be installed where such state or local requirements exists. The technician must possess and comply with all certifications and regulations regarding the purchasing, handling, transportation and reclamation of R410A refrigerant. In the event no such state or local requirement exists, the installer or maintainer must be a professional with sufficient experience in pool equipment installation and maintenance so that all of the instructions in this manual can be followed exactly. Before installing this product, read and follow all warning notices and instructions that accompany this product. Failure to follow warning notices and instructions may result in property damage, personal injury, or death. Improper installation and/or operation can create an electrical hazard which can cause serious injury, property damage, or death. Improper installation and/or operation will void the warranty.
