Infinite WaterColors™
LED Lights

SMART SYNC®
LED ADAPTER

TRADE SERIES
EXCLUSIVE

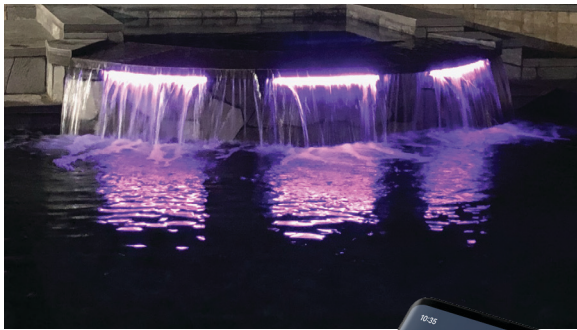

Transform Your LED waterfall with limitless color options

Give Brilliant Wonders® LED Waterfalls the same endless color options of Jandy® Infinite WaterColors Lights with the Infinite WaterColors Smart Sync® LED Adapter.

You can easily operate up to 12-feet of waterfalls with each Smart Sync adapter installed — allowing pool owners to conveniently create and control a color customized experience accompanied by the soothing sound of cascading water.

Infinite Intellect

Syncs all the capabilities of Infinite Lights with Brilliant Wonders LED Waterfalls

An Outpouring of Color Options

Allows pool owners to personalize the color pallet of their waterfalls on the iAquaLink® app*

*Requires Jandy AquaLink RS Automation

Control the Glow

Adjust the brightness with the swipe of a finger
