

Bright, White Commercial Pool Illumination

Jandy Incandescent Lights are tailored to commercial pool applications with the maximum lumen output per watt available. Fixtures are available in a large size for pools, or a smaller size for spas or other small bodies of water. Lights are available in 120V and 12V models and feature a stainless steel body and face ring.

- **Maximum Brightness**
 - › Maximum lumen output per watt with R20 or R40 bulbs
 - › Crystal-clear glass lens, sealed with a high-quality gasket
- **Traditional Fit**
 - › Industry-standard dimensions for an exact fit in many brands of existing niches
- **A Perfect Replacement**
 - › Easy retrofit for most pool and spa applications.
 - › Compliant with most brands of pool niches

SPECIFICATIONS
