Fusion soft

All-in-One Saltwater Chlorinator + Mineral Purifying System

Nature² Fusion Soft is a robust and convenient saltwater chlorinator and mineral purification system. This easy-to-use solution automatically dispenses Nature² minerals that work to control bacteria and algae for a sparkling clean pool.

Saltwater Chlorinator with Exclusive AquaPure® Technology

Using ordinary salt that is added to the pool water, it automatically generates and dispenses chlorine.

Nature² Mineral Cartridge

Nature² is an effective pool purifying solution. It uses mineral technology to provide superior pool water quality.

Convenient Universal Union Connectors

Connects easily to any 2" or 2½" pipe, and is the perfect complement to the Jandy® Pro Series Versa Plumb® system.

Technologically-Advanced Automatic Sensor

Time tested, reliable and durable sensor that tests for salinity, temperature and water flow for maximum efficiency.

Commercial-Grade Durability

Engineered with the highest quality materials.

Tool-Free Drain Plug

Simplify the winterizing process in just seconds.

First Nature² cartridge is included. Replace cartridge at the beginning of each pool season.
